

Title: **God Breathed**

- **The Undeniable Power and Reliability of Scripture**

Author : **Josh McDowell**

Category : **Bibles**

“All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.” 2 Timothy 3:16,17

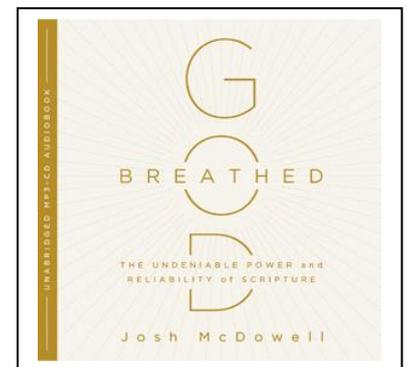

At our church’s Discipleship Series talk last year, Dr. Robert M Solomon shared on Matthew 5 where Jesus opened his mouth and things happened. Yes, indeed things happened when God breathed. God’s Word is profitable according to Apostle Paul’s reminder to Timothy.

As I listened to the audio version of the book God Breathed by Josh McDowell, I was brought along in his journey to recapture the awe, mystery, passion and power of scripture. Through the story of a centuries-old Torah and other scriptural artifacts he's acquired, I was also excited to learn from Josh as he highlights the Bible's unique history, how these writings were made, what makes an ancient document reliable, and why the Bible is the most trusted.

Through stories and Scripture, Josh will take us through interesting questions i.e. is the Bible authored by God or man? Who decided what books would become Scripture? How the Bible is personally relevant? How the Bible can come alive in our life? After listening to this audio book, our Bible we hold in our hands is even more treasured and gives me an added boost to read it daily and spend time with Almighty God who spoke everything into existence, including me and us.
