PRAY FOR SINGAPORE: Christians - "Exercise perfect faith."

*Meditate on James 2:20-26; Ephesians 2:10; John 5:28-29; Romans 2:6-11; Galatians 6:9-10; Philippians 1:6, 2:12-16.

True faith always produces works. God looks for works. Our initial justification is by grace through faith alone apart from works. Our final justification is according to works, not dead works, but works powered by the grace of God. Remember that God Himself performs these works in and through His faithful children.

Pray that we will do the works of God which He has entrusted to us but do them by the grace of God and in the power of the Spirit of God.

Pray that we will live a life that is well-pleasing in the sight of God both in word and action.

Pray that we will not neglect to do good works for in due time, we will bear fruits if we do not give up but persevere in doing them.

Pray that we will give God free rein to do as He pleases in and through your life.

Pray that we will ask God what He wants us to do for him the most rather than ask what we must do for Him the least. **Note that** faith is a loving response of the whole person to God. **Our faith in God** is our wholehearted trust and confidence in what God is able and capable to do in and through us for His glory alone and by His grace alone!
